ii. Executive Summary

[24CFR Part 903.79(r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Housing Authority Plan goals and objectives are to improve the quality of life for its residents, expanding the supply of assisted housing, promote self-sufficiency through education and training, ensure equal opportunity and fair housing, safe environment and physical improvements. We have addressed our capital fund needs and initial assessment for voluntary conversion of development from public housing stock.

The Agency Plan was made available for public review and prepared with input from local officials, board of commissioners, resident advisory board and public comments. All comments were taken under consideration and addressed in this plan. Supporting documentation is attached and/or available upon request.

1. Summary of Policy or Program Changes for the Upcoming Year

In this section, briefly describe changes in policies or programs discussed in last year's PHA Plan that are not covered in other sections of this Update.

The Housing Authority of the City of Louisville is suspending its enforcement of the 8-hour community service requirement after a 30-day notice on May 1, 2002. We will not enforce this provision of our Admissions and Continued Occupancy Policy so long as Congress provides for the option to not enforce it. In taking this action we still want to encourage our public housing residents to both participate in their community and enhance their self-sufficiency skills in a truly voluntary manner.

Under Deconcentration of Poverty and Income Mixing, an Income Analysis of Public Housing Covered Developments is a supporting document on file.

The Housing Authority has determined that our developments are not appropriate for conversion based on the following reasons:

- ☐ Conversion **would be** more expensive than continuing to operate the developments (or a portion of it) as public housing;
- ☐ Conversion **would not** principally benefit residents of the public housing development to be converted and the community; and
- ☐ Conversion **would** adversely affect the availability of affordable housing in the community.
